Our Fees, Commission and Charges

We usually receive a commission from the insurance provider with whom we place your business, and in such a case, the commission will be paid to us either when we are in receipt of cleared funds from you (or the premium finance company, if one has been used) or, when the insurer has received cleared funds from us in respect of the premium due under your policy. The individual agreements we have with each insurer will determine which of the two methods above is used to make this transfer of commission. We also receive commission for arranging finance agreements for the payment of insurance premiums and this is usually expressed as a percentage of the individual loan and is paid to us directly

by the premium finance provider. We may also receive a commission or fee for passing introductions to other professional firms.

In addition, we may make the following charges to cover the administration of your insurance:

STANDARD CHARGES	
Arranging new policies	£35
Mid-term adjustments	£35
Refunds (we refund NET of our commission)	£35
Renewals	£35
Cancellation (we refund NET of our commission)	£35

Policies voided or cancelled from inception by insurers will be treated as a cancellation and we will retain any commission and fees before returning the net premium to you. By accepting these terms of business, you agree that we may retain the portion of the premium that relates to commission that would have been due to us.

Specific charges, which apply to individual policies, will be advised to you prior to the commencement of each contract applicable to that policy. The specific charge and purpose of any additional charges will always be advised to you in advance.

You are entitled to request at any time, information about the commissions that we may have received in connection with your insurance, if you want this information please contact us.

Our Service

We can act both as agent of insurer, and on behalf of you, the customer. We have in place management controls to deal with any conflicts of interest that might arise. Unless we advise you otherwise, we are acting on your behalf.

We also act on behalf of insurers when collecting premiums under risk transfer

We will ask questions to enable us to assess reasonably your insurance requirements, this may include checking information that we already hold about you and your existing insurance arrangements with us and other parties.

We will provide you with advice and guidance, after assessing what you want and need and recommend a suitable policy based on our experience of dealing with similar risks.

We will confirm to you the level of service we are providing as part of our sales process.

In all cases our service will include arranging and administering your insurance, including helping you with on-going changes and assisting you if you need to make a claim, or where we outsource claims handling facilities to give you an enhanced service.

If we use the services of another intermediary to place your insurance we will advise you of the name of the intermediary we use and the name of the insurer.

If you mislay your policy at any time, we will arrange a replacement policy document, if you request it.

Our Selection (Fair Analysis)

We offer products from a wide range of insurance companies.

Our selection usually involves presenting to a reasonable number of insurance companies that will insure for the risk at hand, and this is called a fair analysis of the market. Sometimes we may only approach two or three insurers and this is a limited Panel, or in some cases, we may only approach one insurer, in either case, we

Sometimes we will only approach one insurer, in which case we will tell you as part of our selling process

Financial Strength

We regularly assess the financial strength of the Insurance Companies and other intermediaries that we deal with. The process usually involves general observation of the financial ratings applied by independent rating agencies such as Standard & Poor's and A M Best published with other readily available information within industry guides, newsletters and press releases. Whilst we take care to deal with companies that maintain reasonable solvency margins, we cannot guarantee their financial ability to pay claims and cannot be held liable if your insurer ceases to trade.

Money

We will hold money that you pay to us in accordance with the regulators rules or under a risk transfer agreement with insurers. This will include holding your money in one of the following ways.

A non-statutory trust client bank account that allows us to use the money held in trust on behalf of one customer to pay another customers premium before we receive it from that customer and to pay premium refunds or claims before we receive payment from Insurance Companies. This is a standard practice within the Insurance Industry and we cannot use your money for any other purpose. We do not pay any interest on premiums held by us in the course of arranging and administering your insurance, unless, in the case of consumer transactions we receive more than £20 per transaction, and then we will ask for your permission to retain the interest. Unless you tell us otherwise, you are consenting to us holding your money in this way.

A non-statutory trust insurer bank account in accordance with our agreements with Insurance Companies that transfer the risk of money we receive from customers to them, these agreements deem any money you pay to us, to be received by them and they will bear the risk of any losses in the event that our firm becomes insolvent. This includes claims money or premium refunds we receive prior to being paid to you.

By holding your money *one* of these ways, means that in the event that this firm becomes insolvent your money remain protected.

In arranging your insurance we may employ the services of other intermediaries who are regulated by the FCA and your premium may be passed to these intermediaries for payment to insurers. These firms are also required to hold clients' money in a separate trust account. We will also inform you if at any time we are required to pass your premium to firms that operate outside the UK where the protection may be different. Should you not wish us to pass premiums to a firm outside of the UK, please inform us.

Payment Options

We will provide you with full details of all the payment options available to you when we provide you with your insurance premium.

Premium Finance

We may be able to arrange finance for insurance instalments through the insurer or through a preferred premium finance provider. We act as a credit broker in arranging premium finance facilities and we will give you further information about this before we finalise your instalment arrangements. When we are aware there is an alternative premium finance arrangement available, with a lower annual percentage rate, for example direct with your insurer, we will let you know. This will enable you to make an informed decision. We will not make a specific recommendation or provide you with specific advice, we will give you the relevant information you require, honestly, fairly and professionally and in a way that is in your best interests this may include information about one or more agreements that you may be eligible for, so that you can compare them, which will enable you to make your own choice about whether to go ahead with any particular finance agreement.

Important

Using premium finance makes the overall cost of the insurance more expensive. We will ask you to confirm that you have actively elected (that you have "opted in") to pay via premium finance. A full breakdown of the cost of your insurance and the cost of credit will be provided as part of your new business or renewal quotation before you make a decision whether to proceed. Your agreement will last for 12 months but the premium finance may last for a shorter period. If you choose to enter a finance arrangement, your details will be passed to a third party (insurer or lender) to enable them to contact you and you should contact us at the address given in this document if you do not want your details passed to that party.

This finance arrangement will be subject to interest charges that we will confirm to you when providing the full details. Importantly, the arrangement you will enter into will be with the finance company not us. It is an entirely separate contract irrespective of the insurance contract. In the event of your failure to meet with the contractual obligations regarding payment the finance provider could approach the insurer to seek a termination of the insurance contract to recoup their outstanding finance arrears. You will be liable to pay their costs and charges if you do not keep up your repayments and cover is cancelled under your policy. This is because the agreement is between you, the policyholder, and the finance company direct, not us or the insurer. It is important that you read the finance agreement that is sent to you before you agree to enter into such an agreement.

For the provision of premium finance facilities, a credit check will be performed if you wish to use this payment.

We do not charge any fees to you for introducing you to a credit provider.

If you are a consumer as defined under the Consumer Credit Act, you will have the benefit of a 14-day cooling off period.

Please note that we only use Close Premium Finance for the provision of premium finance facilities.

Cancellation

Please contact us if you wish to cancel any policy that we have arranged for **you**. Customers acting outside their trade or profession (Consumers) will usually have a legal right to cancel policies for any reason, subject to no claims having occurred, within 14 days of receiving the full terms & conditions. You will always be advised where this Right applies. A charge may apply for the period of cover provided and, in addition, an administration charge will apply as shown in the charges section above, cancellation under this right must be in writing, prior to expiry of the 14-day cancellation period, to our usual office address.

The FSCS is the UK's statutory fund of last resort for customers of authorised financial services firms. Compensation is usually payable if an authorised firm is unable or unlikely to pay claims usually because it has ceased trading or become insolvent.

Insurance Premium Tax (IPT)

Your premium detailed in the policy will include IPT at the prevailing rate. Should the rate of IPT be amended by the Government, your premium will be amended by the insurer to reflect the change.

Some policies are subject to Value Added Tax (VAT) not IPT and should the rate of VAT be amended by the Government, your premium will be amended by the insurer to reflect the change.

Termination

You may cancel this agreement with us at anytime. You must provide at least 7 days written notice of instructions. We also reserve the right to cancel this agreement at any time. In any event, we will provide you with reasonably sufficient time to rearrange your insurance and we will notify you of termination in writing together with an explanation if appropriate.

IMPORTANT INFORMATION

WARNING - CONSUMERS

WHERE THE MAIN PURPOSE OF THE CONTRACT IS FOR PRIVATE USE

Your duty to give information

When applying for or amending your insurance policy, we and / or your insurer will ask a number of questions to assess the risk prior to agreeing cover. It is your duty to ensure that you answer all questions raised by insurers or us honestly and reasonably. These questions are designed to enable us or the insurer to obtain a comprehensive picture of the nature of the risk to be insured, and only by asking such questions and receiving answers which are given honestly and with reasonable care, can we or the insurer be in a position to offer terms which are designed to meet your demands and needs.

This reason why this is vital and extremely important is that if you fail to tell us or the insurer something when asked, or, if you answer carelessly or act deliberately or recklessly in making misrepresentations when answering questions, your policy may leave you with no insurance protection; insurers may not pay a part or all of your claim and may cancel your policy. You may find it difficult to re-arrange cover because you did not tell an insurer everything when asked, and you will have to disclose this fact when you reapply for insurance.

FAILURE TO ANSWER QUESTIONS HONESTLY AND REASONABLY, WHEN ASKED, MAY LEAVE YOU WITH NO COVER AND A CLAIM NOT PAID

WARNING - COMMERCIAL CUSTOMERS OR WHERE THE MAIN PURPOSE OF A CONSUMER CONTRACT IS NOT FOR PRIVATE USE)

Your duty to give information

IT IS IMPORTANT THAT YOU UNDERSTAND YOUR DUTY TO PROVIDE ALL MATERIALLY IMPORTANT INFORMATION, FULLY, COMPLETELY AND ACCURATELY TO US AND YOUR INSURERS NOT ONLY WHEN YOU TAKE OUT YOUR INSURANCE, BUT ALSO THROUGHOUT THE LIFE OF YOUR ARRANGEMENT, AT THE ANNUAL RENEWAL OR AT ANY OTHER TIME WHEN CHANGES OCCUR.

Materially important information is any information that could influence an insurer's decision to accept your risk including the cost of your insurance. For example, details of previous insurance claims that you have made, or reported. Personal information about you, such as Criminal Convictions (you have a duty to give this information even when the insurance relates to a business and not you). General information about the risk, such as the construction of a building, (for example, concrete floor, timber frame with brick, stone, and a slate roof) if you are not sure how much information to provide or do not understand the question please ask.

This reason why this is vital and extremely important is that if you fail to tell us something, your policy will leave you with no insurance protection; insurers will not pay any claims and will cancel your policy. You will find it difficult to re-arrange cover because you did not tell an insurer everything, and you will have to disclose this fact when you reapply for insurance.

FAILURE TO DISCLOSE THESE FACTS MAY LEAVE YOU WITH NO COVER AND A CLAIM NOT PAID

WARNING

Warranties and Conditions Precedent

Your policy contains a number of WARRANTIES and CONDITIONS PRECEDENT. These are terms which you must comply with word for word, otherwise the insurer might not pay any claims and might cancel your policy from the start. Even if there is no connection between a breach of these terms and the cause of the loss.

Failure to comply with these terms may leave you with no insurance cover and your claim not being paid!

An insurance warranty is **not** a good thing, it does not mean that it is a guarantee of something; it typically means that you must comply with terms in order that your insurance protection remains operative.

Conditions Precedent: Some conditions do impose a responsibility on you to have done something or completed something before a certain section of the policy will operate. If you do not do the thing stated, cover will not be in place.

FAILURE TO COMPLY MAY LEAVE YOU WITH NO COVER AND A CLAIM NOT PAID

IMPORTANT

Warranties are not always referred to as such within a policy and schedule. They may be referred to as conditions, endorsements, special terms as well as warranties.

It is important that you look out for these and if you have any doubt about a particular statement, please ask us for advice.

FAILURE TO COMPLY WITH THESE MAY LEAVE YOU WITHOUT ANY COVER IN THE EVENT OF A CLAIM AND THE CLAIM MAY NOT BE PAID.
